There are no common work activities.

Tools and Technologies that Both Occupations Have in Common		Similarity of Focus Occupation to Associated Occupation: 84	
Focus Occupation: Psychologists, All Other (19-3039) Associated Occupation: Clinical, Counseling, and School Psychologists (19-3031)			
Tools and Technologies		Exclusivity	
Business function specific software		1	
Computers		1	
Content authoring and editing software		1	
Data management and query software		1	
Diagnostic assessment and exam products for general use		21	

Industry specific software	1
Information exchange software	1
Network applications software	1

Not all positions in these occupations will necessarily use all of the listed tools and technologies. The exclusivity rating is an indication of how unique the tool or technology is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations use that tool or technology.
